# Binary – UEC Scholarship 2011

## 1. Aim

The aim of this scholarship is to encourage the graduates from Chinese Independent High Schools to further their studies to become high income earners in line with the government's Economic Transformation Programme (ETP). The high income earners produced by Binary University College are chartered accountants and entrepreneurs.

## 2. About Binary University College

Binary University College (known as Binary) was established in 1984 and is one of the pioneer private higher education institutions in Malaysia, specialised in Business Management, Information Technology, Accounting and Entrepreneurial Development.

Binary is renowned for producing Industry Specialist Professional (ISPs) graduates. Today, the United Nations Educational, Scientific and Cultural Organization (UNESCO) and many governments around the world sponsor students to study the Binary doctorate, masters, degrees and diplomas. Currently, international students from over 43 countries are pursuing various courses at Binary due to the ISP formula.

Binary's accounting honours degree is accredited by the ACCA (UK) and CPA (Australia), while its entrepreneurship honours degree is the only full-fledged entrepreneurship degree that is recognised by Jabatan Perkhidmatan Awam (JPA) in Malaysia. All of the the masters, degrees, diplomas and foundation programmes offered by Binary are fully accredited by the Malaysia Qualifications Agency (MQA) and recognised by Jabatan Perkhidmatan Awam (JPA).

The Binary campus is well-equipped with a library, cafeteria, computer labs, WiFi, student hostel, auditorium, classrooms, indoor sports and recreation centre, a gymnasium, car park etc. The Students' Services Department offers hostel facilities, scholarships, further study arrangement, co-curriculum activities, counselling, job placements, etc.
